

DAY 15: December 9th *Does Patriarchy in the Church Play a Role in Abuse?*

"**Patriarchy** is a system of society in which men hold the power and women are largely excluded from it." (The Dominant Ideology of Patriarchy)

Survivors of Abuse share their experience...

"I hear similar themes repeated by victims, of church cultures that treated women's bodies as inherently problematic and seductive....that questioned women's ability to think rationally or make decisions without the leadership of men. ... blamed victims of sexual abuse for inviting the abuse...That effectively silenced victims by telling them that reporting the crime would reflect poorly on the church...These women describe an environment of fear...which made it hard to report, or even to acknowledge, the abuse..." "*God weeps for the sexual abuse of children,*" **Pope Francis** said, after meeting with hundreds of bishops and seminarians, as well as privately with victims of clergy sexual abuse. (USA. 2015)
